

EQUITY MANAGEMENT SOLUTIONS[®]

EMS[™] MEMBER SERVICES

Managing the equity in your financial services practice is an ongoing process. Your business, your staff, and your personal goals change over time. To help manage, protect, and improve your practice according to your unique goals, the Equity Management Solutions[®] (EMS[™]) offers two levels of resources to support your individual business.

Each EMS[™] path includes two core benefits: a Comprehensive Valuation Report and a Continuity Plan to monitor and protect your practice. Whether you want to manage value or actively grow your business, you can select a membership that fits your needs.

EMS[™] ESSENTIALS

Fundamental business tracking and protection tools for practice owners who are looking to maximize the value of what they have or in preparation for a sale.
